

# Farndale Parish Plan Update & Newsletter

## Action Plan

**The work of Farndale's parish plan committee is now complete and the action plan is attached.** This plan will now be taken forward by the relevant organisations, committees and individuals and there will be an annual review of the plan.

Clearly it is not possible to progress all the issues that were identified by the parish questionnaires at once and the open planning meeting held on 8<sup>th</sup> July in the Band room.

**Youth Club** including sports and interests ~ Sarah Sharp (☎XXXXXX)

**Living/Local History** a large number of people expressed interest in this and there is potential funding available from the local history initiative ~ Janet Campling (☎XXXXXX)

**Newsletter** 72% of questionnaire respondents said they would like a newsletter for the dale. If you would like to help progress an initiative please contact ~ James Thurtell (☎XXXXXX)

## Activities

**A number volunteers have come forward to progress activities. These are detailed below, if you are interested in any of these or would like to assist please either contact the person named or use the attached response form.**

**Playgroup / Kids Club** for young children accompanied by parents ~ Diane Hamill

## Evening Classes

**Another popular proposal was for evening classes in Farndale. The option for computing was well supported but few people indicated other subjects of interest.**

So this may be progressed we have included a number of options of possible subject area's on the response sheet so we can gauge if there is sufficient interest to pursue further
