

MERRY CHRISTMAS TO ALL IN FARNDALE

This Newsletter is shorter than normal to provide a few news updates & events over the next few weeks.

Broadband

There are now nearly 100 customers on Moorsweb Broadband across the three dales and the price has now been reduced to £17.60 per month (£15 + VAT). This is a truly remarkable achievement as the project only started in January this year. Many thanks to Barry Sunley.

Calendars

At time of going to press there are just a few "Year in Farndale" Calendars unsold and well over £1000 has been raised for the Village Hall rebuilding fund.
